

HOW TO PLACE YOUR MILK STORK ORDER

Log in to your company's Milk Stork Employee Portal.

You'll need your work email address (or other HR-approved email) to create an account.

Choose a Requested Delivery Date.

Your order will arrive on or before that date. Let your destination know that you are expecting a shipment.

Order your Milk Stork kit.

It comes with everything you need to ship or carry your breast milk home with you, including medical-grade coolers and shipping labels.

Enter your breast milk shipment address.

This is where you would like to send your breast milk shipment, often your home address.

Enter the delivery address for your Milk Stork order.

This is where you'd like to receive your empty Milk Stork cooler. It can be a hotel, short-term rental, or your home.
