

WORK TRIPS MADE EASY:

Ship breast milk home with Milk Stork

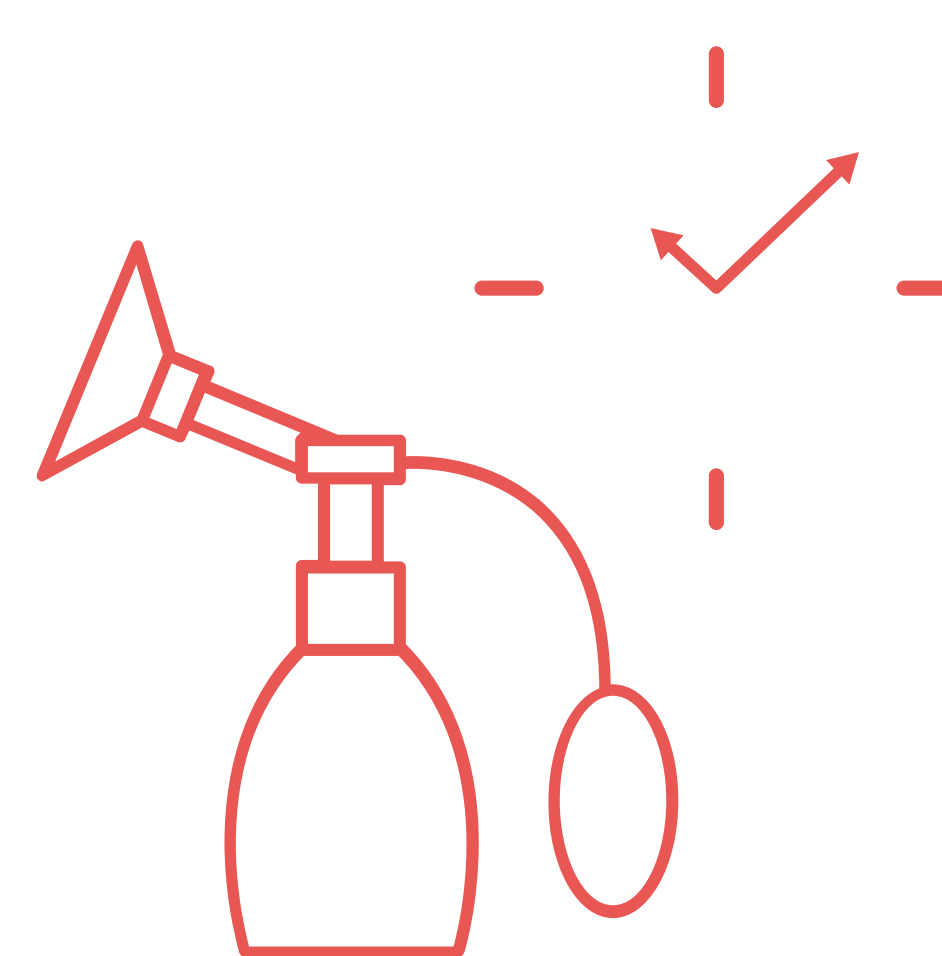

1 ORDER

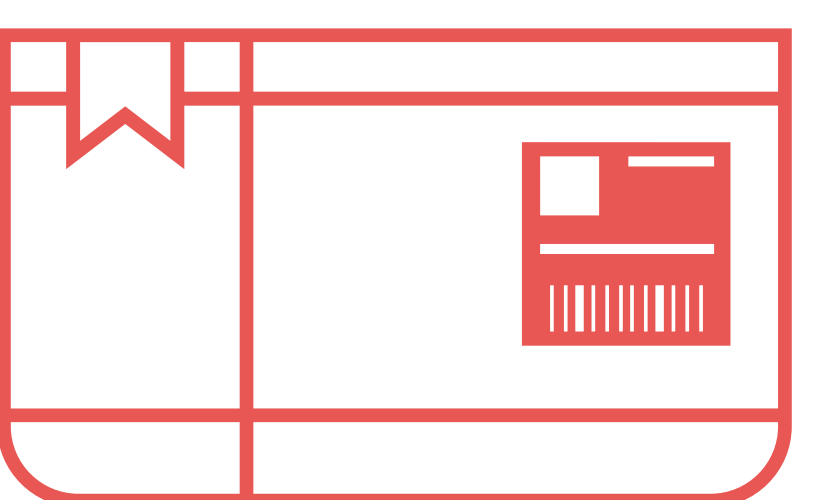

Order your Milk Stork kit for delivery to your home or hotel. It has everything you need to pack and ship your breast milk, including a medical-grade breast milk cooler and pre-addressed shipping labels.

2 PUMP

Pump according to your regular nursing schedule and refrigerate or freeze your breast milk until you're ready to ship or carry it home with you.

3 SHIP OR CARRY HOME

Ship your Milk Stork cooler Monday through Saturday via FedEx Priority Overnight (shipping labels included), or carry it home with you.
