# 1:1 Open Enrollment Consultations

# 1:1 OE Consults

Open Enrollment consultations were created to make benefits selection simple. We give our members a chance to ask questions specific to their healthcare needs.

**Employees can schedule a consult with an Open Enrollment specialist via web, phone, or app!**

# 1:1 OE Consults

Selecting the perfect health plan doesn't need to be hard. Our Open Enrollment Consults make it easy for your employees to find the right plan for their unique healthcare needs. We make open enrollment count.

## Lightning Fast

All we need is 30 minutes. Our Open Enrollment Specialists research plans before the call.

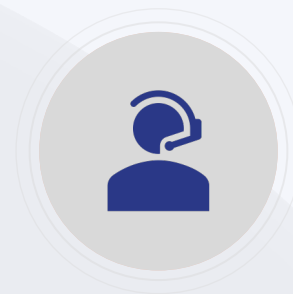

## Fully Personalized

Employees just schedule an appointment and fill out a quick intake form. Our experts take it from there.

## White Glove

Our consultations are designed for employee support. We invite them to ask us detailed questions.

## Total Support

We give employees advice on all of their employer-sponsored benefits as well as ancillary options.

ACCESS

# How to access 1:1 OE Consults

## Download our App

You can access 1:1 OE Consults by downloading the TouchCare mobile app for your iOS or android device. Simply login then click on the **Schedule** tab from the bottom menu.

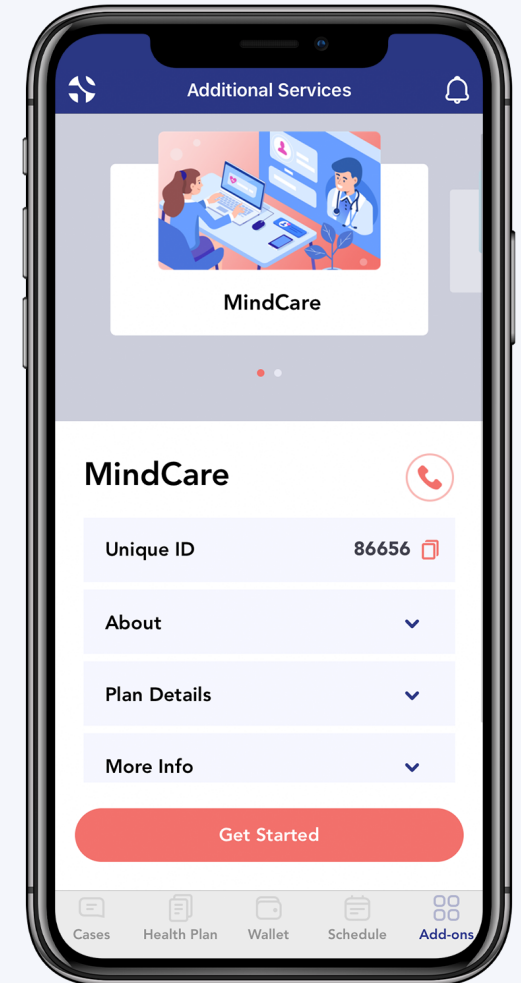

## Visit our Website

Visit [www.touchcare.com](http://www.touchcare.com) and click on member login. If you are creating a new account, click new member. Otherwise, sign in and click the Get Scheduled tab from the left menu.

## Call Us

You can also schedule your consults directly over the phone. To be connected with an OE specialist and to schedule your consult, dial: **(866) 486-8242**.
